SUMMARY

Enthusiastic Computer Science student excelling in programming and problem solving proficient in multiple programming language and development tools. Specializing in Frontend Development showcasing the ability to design and implement efficient, and maintainable solutions for modern user interfaces using JavaScript library like React JS , bundler like Vite and have proficiency in essential Frontend tools like Bootstrap, Tailwind CSS .

SKILLS

Intermediate Level : JavaScript | React JS | Redux | Vite | HTML | CSS | BootStrap | Tailwind | Git | Github
Beginner Level :   Firebase | Java | OOPS | C | C++ | Php | MySql

PROJECTS

meriPustak eCommerce
https://meripustak.netlify.app/
· Front-End : React JS | JavaScript | CSS | Tailwind CSS | Google API | Bootstrap.
· Key Features : Designed a robust eCommerce platform for meriPustak with features including smooth scroll, an intuitive search bar filter, and an efficient shopping cart system

KBC Quiz App
https://thequizappkbc.netlify.app/
· Front-End : React JS | JavaScript | CSS | Google Icon
· Engineered a KBC Quiz application that dynamically renders questions, maintains real-time score tracking, implements countdown timers and lifelines, utilizes state management for result summary with smooth animations and transitions, all within a responsive design framework to ensure compatibility across various devices and screen sizes.

SnowCare Refrigeration
· Front-End : React JS | JavaScript | CSS | Google Icon | Firebase.
· Engineered an intuitive front-end architecture for SnowCare Refrigeration's web platform using React JS, JavaScript, and CSS, incorporating features like smooth scrolling and slick-slider carousels, which increased user engagement by 30%.

EDUCATION

Bachelor's in Computer Application
Ranchi University · Ranchi Jharkhand · 2023 · 7.6 SGPA

Intermidiate in Science (PCM)
YSM College · Ranchi · 2020 · 5.5 CGPA

Matriculation
Cambrian Public School · Ranchi · 2018 · 6.5 CGPA

CERTIFICATIONS

JavaScript Intermidiate
HackerRank Certified · 2024
· key competency includes Functions, Events, and Error Handling, currying, Hoisting, Scope, Inheritance, among others

Frontend React
HackerRank Certified · 2024
· key competency includes Inheritance, exploring text styling fundamentals, use of layouts, boxing of elements among others.

Cascading Style Sheet
HackerRank Certified · 2024
· key competency includes Inheritance, exploring text styling fundamentals, use of layouts, boxing of elements among others
